KRUPANIDHI COLLEGE OF PHYSIOTHERAPY

Krupanidhi is an educational dream that started out as a small structure in Koramangala in Bangalore some 33 years ago and is a huge, renowned, campus today. The main goal is to holistically nurture the students by providing them with top quality education using cutting edge, effective teaching methods in an affable and comfortable environment. Krupanidhi has 3 campuses and close to 6,000 students from more than 32 countries studying across the various colleges, making it a multi-cultural, diverse educational institute.

The college has a progressive and planned course development in Physiotherapy. The physical infrastructure of the college matches the best in the profession within country and abroad. The focus of our Physiotherapy College is not to impart lessons but to inculcate in the students an education that is synchronized towards reducing the global burden of disease with a social responsibility inculcating values and ethics in caring the patients.

ABOUT CONFERENCE

This KRUP TACON, International Physiotherapy Conference, anticipates International & National Speakers, participants including key note speakers around the country and globe and also all honorable authors, researchers, scientist and students. They are encouraged to contribute and help to shape the conference through submissions of their posters & research abstracts. This would be conceivably a colossal event that creates an ideal platform to share expertise addressing present scenarios in the field of Physiotherapy focusing on certain key areas in hospital base, neurological rehab, Musculoskeletal rehab, Sports Physiotherapy, Pediatric conditions, Geriatric conditions and women's health. It will be a wonderful opportunity for all the delegates, as it provides an international networking opportunity to link with the world class Physiotherapists, Medical colleges, Physiotherapy researchers, Manufacturing PT device companies, various associations and organizations too.
